E. L. Wied Made Chairman At First Charter Meeting

With the blessings of the City Council the newly elected Charter Commission met for their first organizational meeting Tuesday night.

The 15 members first convened at the city hall where they received certification of their election and then adjourned to the District Court in the County Courthouse for their meeting.

Officers for the Commission were elected at the outset, with E. L. Wied elected chairman, Jack Prescott vice-chairman, Miss Ada Margaret Smith, secretary, Don Humble Parlimentarian and E. A. sion gave their testimonial that they would work toward the success of the charter.

Perrin Public relations.

During the 45 minute discussion which followed the group decided on proper procedure for the coming meetings with Wied, Prescott and Perrin elected as a committee to work out the agenda for the next meeting, which will be announced by the chairman.

Perrin reported that a representative of the Texas League of Municipalities would be present at the next meeting to address the commission and advise them on questionable matters.

Upon a motion by John Henderson each member of the Commis-

City Directory Turned Down By C of C At Board Meeting; Record Attendance

A record attendance was set by the Chamber of Commerce Board of Directors when twenty-one of its twenty-six directors attended the monthly meetin at the Milam Coffee Shop on Friday, April 15.

Committee reports were made by the Poultry Committee, Health & Sanitation Committee, Publicity Committee, Industrial Committee, Livestock Committee, Highway and Good Roads Committee, Membership Committee, and the Crops and Conservation Committee. Each committee presented its program of work for the 1955-56 year.

The Publicity Committee brought before the Board the matter of endorsing a City Directory, which had been presented to them by a prominent directory company. ....

Some of the features considered by the Board were:

(1). Statistical and historial section; (2) Miscellaneous Section (information about the city, county, schools, governments, etc.); (3) Alphabetical section — names of every resident 18 years or over; (4) Buyers Guide — advertisers services and products; (5) Classified business section; (6) Street Guide and householders section—every street in town listed alphabetically with names of all residents on streets with house numbers; and (7) Numerical telephone section - all telephone numbers and telephone subscribers names.

After much consideration the majority vote of the directors voted not to accept the recommendation of the committee.

Gene Blake gave a report from the Public Library Directors' meeting stating that tickets of membership were on sale with the money being used for the support and maintenance of the library.

The directors voted to purchase an adding machine to be used in the office.

Click Promoted To USAF Lt. Colonel

Lieutenant Colonel Benjamin A. Click, Deputy Director of the new Directorate of Plans for the 7330th Flying Training Wing complex of Furstenfeldbrack, Landsberg, and Kaufbeuren air bases, will put on his new leaf April 5.

Mrs. Click is the former Mary Lou Folschinsky, daughter of Mr. and Mrs. F. P. Folschinsky of Ben Arnold. They have been in Germany since December 1, 1953.

2 New Wells To Be Drilled In Milam Fields

Oil operations in Milam County are advancing, with two new 2,500-foot wildcats scheduled Wednesday to be drilled by Anderson Bros. Corp., of Houston.

Both of the new wells are to be located about four miles northeast of Milano.

The Anderson No. 1 Ashely will be 440 feet from the northeast line 800 feet from the northwest line of a 74-acre lease in James Robertson Survey, A-301.

The other well, the No. 1 R. L. Batte will be 400 feet from the northeast and southeast lines of a 244-acre lease, 400 feet for the northeast line and will scale 1,300 feet from the southeast line of a 244-acre lease in S. Y. Reams Survey, A-312.

Texas Gulf Sulphur Co., which conducted the only deep test in this vicinity, is reportedly leasing additional land around the several-thousand acre block on which it has its deep test on its own fee land. The deep try, at 9,648 feet, has been shut down for about 12 days, waiting on orders. It is rumored that a bigger rig is being brought down and the test is to go several thousand feet deeper.

Dr. C. G. Swift Re-Named School Board President

Many Surrounding Communities Enjoy Books From Library

"Is Cameron Public Library being used?" is one of the most frequent questions asked when the subject of the library is brought up. Recently several people were stopped on the street and asked questions relative to the library and this one question together with "Why is the library not opened more?" were found to be the main critisms about it.

It might come as a surprise to most people, but the library is being used and is being kept open.

The Board of Directors have had to rely upon volunteer workers to be on duty and there have been several nights in the week that it is closed but on Tuesday,Wednesday and Thursday nights and every Saturday morning the library is open.

An interesting item pointed out by library officials is that the books are being used by not only the people of Cameron, but from near by communities.

Mrs. E. J. Burkes of Cameron, teaches in the Buckholts High School and very often takes a number of books from the Library to students of the school who express a wish to read a book.

Letters from some of these students have been received.

Milton Daniel writes "I would like to thank you for all of the wonderful books that you let Mrs. Burkes bring to our school. I enjoyed them very much and hope I may read many more. I'm especially interested in wildlife and Indian Life."

Mary Chevalier writes, "I want to thank the Cameron Public Library very much for letting the Buckholts High School read your books. I read "Mrs. Mike" and I think it is one of the best books I have ever read.'.

Letters to the Library were also received from Bernice Janes, Trivlia Porter, Carolyn Wall and Carl G. Jurca.

The success of the Library drive slated for next week will play an important role in the future of the Library. It is a great asset to Cameron and will also be asset to the surrounding communities. Support the library drive and invest in the future.

Three New Board Members Sworn Into Office Wednesday

In a regular meeting of the Cameron School Board this week Dr. Clifford G. Swift, veteran member of the Cameron School Board was re-elected President for the ninth consecutive year. He has been a member of the Cameron Board since 1944.

In other action of the Board three new members were given the oath of office and sworn in as members of the Board. They are Max Howard, who was elected vice president; Earl Curtis, local druggist; and Howard Pressley, who is a retired farmer. Leo Fuchs was re-elected Secretary. Other members of the Board are Herbert Colburn and F. W. Vogelsang, Jr.

After swearing in the new members and organization of the Board a full agenda was acted on. Official resolution was passed asking for bids for the construction of an Industrial Arts building which is to be completed by August 15, 1955.

Guy Clement, Industrial Arts teacher and Lee Roy Thompson, Vocational Agriculture teacher, were re-elected and given two-year contracts by the Board.

Administrative personel, coaches and band director had been given previously long term contracts. All other teaching personel were re-elected on the usual one-year basis.

Board members Max Howard and Leo Fuchs were named as a building committee to work with the contractor and Clement, in the preparation of plans and construction of the new building.

The Superintendent was authorized to make application for a new bus as a replacement for the 1955-56 school year.

Decision was made to offer the Belmena School property for sale to the highest bidder as soon as legal technicalities can be determined. Money from sale of rural property is to be used as part-payment on the new Industrial Arts building.

All members of the Board, both old and new members, expressed themselves as being highly pleased with the present program of the Cameron Public Schools, and their only desire is to work toward improving the program where possible, according to a report by W. T. Hanes.

Buckholts Seniors Go To Mexico On Class Trip

The senior class of Buckholts high school will leave Thursday, April 21, on its annual senior trip.

The class will go by school bus to Mexico. The first stop en-route will be for a day at Bandera where they will visit a guest Ranch, and for a day and night at Corpus Christi where they plan boat rides and to attend church service Sunday morning.

Accompaning the students will be school Supt. and Mrs. O. W. Benold and Louise DeWald.

Some people are just like taxi drivers. They go through life just missing everything.

The day is never too long to the man who has work to do and enjoys doing it.

Howard Gonten Wins 4-H Tractor Contest

Howard Gonten, son of Mr. and Mrs. Carl Gonten of the Buckholts Community, won first place in the District Tractor Contest held at Stephenville last Saturday, April 16.

The contest consists of these divisions: A written test taken from the operators manual, an oral demonstration, explaining tractor care, and a driving test designed to demonstrate skill in driving a tractor.

Howard won first in the district last year and placed 4th in the State contest. He is scheduled to be another strong contestant in the State contest again this year.

The State contest will be held at A & M College in early June.

Carl Gonten and J. D. Moore, County Agent, accompanied Howard to the contest last week.

City Clean - up To Start April 25; Public Cooperation Asked

Dr. George Bowman, Chairman of the Health & Sanitation Committee of the Chamber of Commerce, has stated that plans are underway to conduct the clean-up campaign during the week of April 25 through April 29.

The City Council has announced the following schedule for trucks to make pick ups in various areas of the city:

Monday, April 25, All area South of Santa Fe Tracks.

Tuesday, April 26— All area West of Southern Pacific tracks far north as city limits.

Wednesday, April 27— All area East of Southern Pacific tracks to Crockett as far north as City Limits.

Thursday, April 28— All area between Crockett Ave. as far east as North Fannin Ave. and North to City limits.

Friday, April 29— All area east of North Fannin Ave to City Limits on East and North boundaries of city.

Chairman Bowman states that this is for the health and safety of our citizens.

Premises must be cleaned up to eliminate fly, rat, mosquitos, and fire hazards by removing old containers, tin cans, bottles, tires a other trash, depositing all garbage and cans in regulation covered galvanized garbage container and keep it covered, use 5 per cent to 10 per cent DDT to spray garbage cans and immediate area, Keep all chicken and rabbit pens throroughly cleaned daily, Use DDT for insect control around pens, keep all outside toilets clean and make them fly tight, get sewer connection if sewer line is available as soon as possible, clean all vacant lots and if burning constitutes a fire hazard, call Fire Department for supervision.

Tenants as well as property owners shall be responsible for their premises.

Recent visitors in the home of Mr. and Mrs. M. A. Hearne were his sister and her husband, Mr. and Mrs. S. F. Cahill of Little Rock, Arkansas, their daughter, Mrs. I. M. Baker and daughter, Jane and Mrs. J. R. Hearne and daughter, Evelyn Raye Hearne, all of Houston.

Dennis Klein of Burlington visited here recently.

L. Bartlett Becomes Airline Hostess

Miss Lillian Ann Bartlett, daughter of Mr. and Mrs. L. D. Bartlett, of Thorndale, has become an air line hostess and is affiliated with the Trans-Texas Air Way in Dallas where she is presently on reserve for the month of April as she has not been given a definte assignment.

Miss Bartlett was qualified for this position in that she was a graduate of the 1949 class of Thorndale High School. She attended Blinn College at Brenham for two years and transferred to the University of Houston where she received her B. A. degree in the spring of 1953.

Miss Bartlett has the distinction of being the first young lady from Thorndale to enter this vocation.

Margaret Johnson of Liberty is visiting her mother, Mrs. Kathy Johnson here this week.

Six Yoe Students Enter Contests Slated At SWTSC

Six Cameron High School students which will be held at Southwest Texas State College, April 23 when more than 150 students will attend the Region 6 meet of Interscholastic League.

Wayne Fisher and Emory Camp will enter boys' debate. Rosemary Jones will compete in the declamation contest as will Johnny Moseley. Ann Wimberly will enter shorthand competition and Frances Michalka will represent Cameron in the slide rule contest.

Region 6 Covers 50 schools in the area from Navosota to Uvalde and from Belton to Pleasanton. Winners at the College will then be eligible for state contests in May.

Dr. Pat Norwood is the Director General with Dr. Cecil Gregg as assistant in conducting the activities of the Region 6 meet. Other directors of events will be Miss Mary Louise Hightower, declamation; Dr. William Pool, debate; Miss Eileen O'Meara, extemporaneous speaking; Luverne Walton, ready writing, Ural B. Walker, slide rule; Milton B. Porter, number sense; Tom Nichols, shorthand Dr. A. W. Musgrave, typewriting and Bryce W. Rucker, journalism.

Buckholts F. F. A. Banquet Held Saturday, April 16

Buckholts annual FFA Parent-Son banquet was held Saturday night at the school cafeteria.

Buckholts chapter officers were in charge of ceremonies and the following program: Dale Frazier, local chapter president, gave the invocation; George Weido introduced FFA Sweetheart and guests.

Each boy introduced his parents honorary members were introduced by Charles Lee Obermiller.

The FFA and importance to its youth in a community was explained by Advisor C. Titsworth; Its aims and purposes, Cecil Weidner 4 degrees of active membership, Jackie Griffin;

The Emblem, Leroy Koenig; the Creed, Charles Hundle; Colors, John Gonzales; Motto, Antone Mendoza; 7 Essentials of Good Chapter, Willie Lesikar;

Program of Work, Floyd Chevalier; Financing Chapter, Joe Dean Zajicek, Chapter Records, Carl Jurca; Chapter Equipment, James

Cameron Places Fourth In Meet After Breaking Three Records

Senior Division

Although the Cameron Yoemen broke three records in the District track meet in Taylor Saturday, they came out in fourth place. Leading the track and field were the Killeen athletes, with a final 5 points to their credit. Rockdale was second and Belton third.

Junior Division entrants came through with flying colors, however, with 34 points, winning them a first in the meet. Rockdale and Belton tied for second with 16½ points each.

Lady Luck buzzed the Cameron boys and then turned her smile in another direction. In the 440 Relay the four-man team, composed of Mondrik, Thompson, Rettig and Angell, climbed over the old record and still just received a fourth in the event.

Twice more they broke records and received only fourths for their efforts. In the Mile relay they broke the old record of 3.42 set by Cameron in 1952, running the mile in 3.40 this year ... for a fourth. The unprecedented turn of events held true in the Pole Vault event with Michalka valting 10.9, with the old record 10.6, and winning a fourth.

Buddy Thompson placed second in the low hurdles with a time of 22 seconds and Albert Mondrik, with a long jump of 19 feet and one inch, placed second in the broadjump.

Junior Division

In the Junior Events Hubert Marek was the Cameron hero of the day, scoring single-handedly 13 points toward the win. He won a first in the 75 and 100 yard dashes and second in the 50.

Gene Hillman won first in the broadjump and fourth in the shotput.

Cameron placed first, second and third in the pull-ups. Chil Williams scored the first place, Clifford Swift second and Jimmy Smalley third.

Arthur Marek placed fourth in the broad jump and Ray Green and Gene Hillman tied for second and third in the high jump.

Special Movies Slated Here In "Movie Month"

Dean White, manager of the local Milam Theatre, announced today that 4-timer tickets to be used during May, which will be Movie Month in Cameron.

The four tickets, being sold for the price of three, are on sale by theatre employees and at the Milam box-office through the remainder of April. White stated that no more tickets will be sold after April 30.

Besides getting one ticket free, White reminded, purchasers will be entitled to a chance for a free six month pass to the movies and a man or womans Elgin wrist watch, courtesy Wilson Credit Jewelers.

Some of the top-timers that are coming up during May include "Vera Cruz" with Gary Cooper and Burt Lancaster on May 1 and 2; "Sitting Bull" with Dale Robertson on May 5 and 6; "The Long Grey Line', with Tyrone Power and Maureen O'Hara May 8 and 9; "Shotgun" with Sterling Hayden and Yvonne de Carlo May 12 and 13; "Chief Crazy Horse" with Victor Mature and Susan Ball May 22 and 23; "Country Girl" with Bing Crosby and Grace Kelly May 29 and 30 and "Hit The Deck" with Jane Powell and Debbie Reynolds, with the exact date not yet set.

PROCLAMATION

WHEREAS, The motion picture theatres of the City of Cameron representan important and unique activity, not only as progressive business enterprises, but also as a community service and

WHEREAS, With characteristic optimism, spirit and enthusiam, the theatre of Cameron is having a Motion Picture Theatre Celebration, and

WHEREAS, This celebration will bring to the thousands of moviegoers of Cameron and community a concentration of outstanding film productions during the month of May.

NOW, THEREFORE, I, O. BO Horstmann, Mayor of the City of Cameron, do hereby proclaim the month of May as "MAY IS MOVIE MONTH" in Cameron, and request that encouragement and support be given to such aggressive plans and salute the motion picture theatre people who diligently strive to provide the best entertainment for men, women and children of our city.

In Witness Whereof, I have hereunto set my hand and caused the Great Seal of the City of Cameron to be affixed this the 12 day of April, the Year of Our Lord one thousand nine hundred and fifty-five.

O. B. Horstmann,
Mayor

Make-up Clinic
230 Children Receive Polio Shots In Cameron Monday

Cameron first and second graders received their first in a series of two Polio Salk vaccination shots Monday in a national wide program designed to rid the United States of the dread disease Poliomyletis.

The second shot is slated to be given in two weeks, on May 2, with times and places to be scheduled by Dr. John Bryson, head of the County Health Unit, at a later date.

Dr. Bryson reported that all of those children who were absent from school Monday and wished to take their first shot could do so by those children who were absent from school Monday and wished to take their first shot could do so by being at a make-up clinic which will be in the County Health Unit Wednesday.

A total of 230 children were vaccinated Monday, 139 from Ben Milam, 12 from Marlow, 39 from O. J. Thomas, and 40 from Saint Anthonys.

Dr. Bryson stated that after the second shot the children should have booster shots anytime after the seventh month, to insure their immunity.

New City Councilmen Are Installed

Aldermen Consider Methods To Improve Sewer Ordinance

New councilmen Clifford Thompson, Grady Stidham and Robert Weems were sworn into office, new committees were appointed and several city problems were dealt with Tusday night at one of the shortest council meetings on record.

New committee heads and members appointed by Mayor O. B. Horstmann were:

Street: Clifford Thompson and Grady Stidham -Co-chairman, Robert Weems.

Water: Clifford Thompson, Milton J. Schiller & Roy Griffith.

Finance: Roy Griffith, Grady Stidham, and Robert Weems.

Police: Milton J. Schiller, Clifford Thomspon and Roy Griffith.

Taxation: Roy Griffith, Robert Weems and Milton Schiller.

Airport & Parks: Grady Stidham Clifford Thompson and Milton J. Schiller.

Ordinances: Robert Weems, Roy Griffith & Milton J. Schiller.

Cemetery: Robert Weems, Clifford Thompson & Grady Stidham.

Printing: Milton J. Schiller, Grady Stidham and Robert Weems.

The operation of co-chairmanship of the Street Committee seeks to use the talents of each member.

Thompson may advise as chairman on the grades of Streets Sewers, Curbs and Dirt removal and placement, on City's needed places before dirt is offered for sale.

Stidham is the operative chairman of the Street Committee, being responsible for balance of all duties and responsibilities pertaining to this office.

This is to clarify an existing controversy.

If two members of a committee agree on customary committee operation then it is alright to proceed.

If any two members of a committee are against a committee operation, it is necessary that a full Council body pass on the project before it proceeds.

Outgoing aldermen Johnny Andres and Gene Blake were kept in office for the first few minutes of the council meeting to act upon several items left on the agenda needing their attention.

They both stated, however, that they had rather have the new aldermen make the final decisions. Following a resolution of commendation for their work on the council, read by Milton Schiller, they retired from the meeting.

New aldermen then voted unanimously to elect Schiller as president pro-tem of the council.

First business on the agenda was the matter of laying a proposed sewer line in a section of west Cameron for which deposits for seven houses have been made, but which will probably hav only two houses tieing on after the installation of the line.

Thompson stated that since the promise had already been made he thought the line should be started immediately, even though the over-all cost would be $1,400 for connecting only two houses. He added that he also thought the council should improve on the present sewer policy to see that such an expense for such a few didn't happen again.

The council then approved the motion to have new stationary printed and o.k.'ed a plumbers license for a plumber working for W. T. Pearson Company out of Rockdale.

A representative from the firm doing the groundwork for the new Safeway project was present and asked for information concerning the newly proposed building. A Committee headed by Thompson met with him following the meeting to iron out primary plans.

an editorial....

Two more of the local school personnel were given longer contracts than deemed necessary and mandatory by the state, at the most recent school board election.

In an article which appeared in the Thursday Midget, written by one of the school officials, it was stated, "Administrative personnel, coaches and band director had been given previously long term contracts. All other teaching personnel were re-elected on the usual one-year basis."

If one-year is the usual basis, why should a select few be given long-term contracts? If they are carrying out their jobs in a capable way they would necessarily be re-elected at the end of each year. If they are not, is it fair to all of the school children and their parents to have them in office, by contract, until it is too late to remedy any situation which might have been corrected if they knew they had to do a good job every year to keep their job?

The school board authorized the contracts — WHY?

Soil Conservation District News

Supervisors: Edwin Fischer, A. W. Butts, Paul C. Graves, Clarence L. Stock and Hal Hartrick.

On most farms in the Cameron area, a terrace system is a very important part of a soil and water conservation program, but before terraces can be constructed, grasses waterways much be provided.

Many farmers are now establishing waterways for terrace outlets on their farms. O. B. Harden, Frank Tomek, and Leo Moraw have recently shaped waterways with a motor grader and are now ready to seed or sod the grass. With good weather conditions, the waterways will have a good stand of grass by fall and the terraces can be constructed.

Waterways should be designed to carry the maximum expected run-of from a field at a moderate rate. The velocity of run-off can be controlled by using a wide, flat waterway. A narrow channel will cause the water to be deeper and the velocity to increase, causing more erosion.

A terrace system will control gully erosion but it will not stop all sheet erosion. When the organic matter content of the soil is low, rain drops detach small soil particles and float them away. Often, the farmer is not aware of this type of erosion.

Nature protect the soil with a cover of vegetation. The pounding force of the rain drop is absorbed by the cover and the water flows onto the soil without the pounding force. A vegetative cover increases the organic content and improves the structure of the soil so that more water will enter and be stored in the ground.

Most farmers can not have a vegetative cover on the ground at all times, but a cropping system which includes a close growing crop every two or three years will do much to protect the soil and maintain a fair organic matter content. Crop residues should be left on the ground surface to protect the soil from the pounding of content. Crop residues should be left on the ground surface to protect the soil from the pounding of the rain-drop.

In hillside fields, all erosion can be controlled only with a combination of mechinical and vegetatives Opractices.

Health Unit Monthly Report For March

Compiled by the Milam County Health Unit

Poliomyelitis and the possible administration of the Salk Vaccine for the prevention of poliomyelitis was the headliner for March. It was determined early in March that 1202 first and second grade children would be eligible for this vaccine if it is licensed. At the time of this writing 895 request slip have been returned asking that the children be vaccinated against polio if and when the vaccine is made available.

It was decided by the Milam County Medical Society to permit the parents to have a choice of having their children vaccinated at the school clinics or in the family doctor's office without charge. At the present time 128 or less than time of this writing 895 request slips have been returned asking that the children be vaccinated against polio if and when the vaccine is made available.

15 per cent of the 895 request slips returned showed preference for having the vaccinations at the doctor's office. This 15 percent includes a large number of request slips on which it is impossible to determine the parents intentions and therefore are questionable. Approximately 420 parents attended 26 parents meetings held for the purpose of discussing the Salk Vaccine.

By the end of March the returns from the Tuberculosis X-ray surcome in. Seventy-nine persons or 1.3 per cent had suspicious or devey made in February began to finite signs of tuberculosis on their x-rays. However these seventy-nine people must be followed up with large X-rays to determine whether or not this is really tuberculosis, and if it is, whether it is active or inactive. Fifty-five other persons had X-rays showing non-tuberculosis abnormalities of their chests.

The Dental Health Puppet Show was scheduled for eight showings in Milam County from April 12 to April 14, inclusive. It is expected that about 3,000 school children will see this instructive show during these three days.

Two tuberculosis cases were hospitalized in March but another one has been reported and is now on the waiting list for hospitalization.

Plans were made for pre-school roundups of children for Buckholts School on April 1 and Rockdale School on April 4, 5 and 6. These preschool roundups consist of complete physicial examination of children who will be entering the schools in September. If physicial defects are found recommendation are made to the parents so that these defects may be corrected before the child enters school. Also the children have a chance to meet their future teachers and become acquainted with the school facilities. It is hoped that more schools will see fit to conduct these roundups during the spring and summer.

The Milam County Medical Society passed a resolution setting minimal requirements of smallpox and diphtheria immunizations for entrance to school. Typhoid, Tetanus and whooping cough shots are to be left optional. Copies of this resolution are being distributed to all school boards for their action.

Communicable disease cases reported in March were as follows: Gonorrhea 6, Measles 5, Pertussis 7, Streptococcal infections 78, Syphilis 2, Tuberculosis 1, Chickenpox 58, Mumps 14, and Influenza 39 cases.

Regular routine inspections of food and other establishments have been made during the month of March. In fact there was more routine work done because there was no extra programs in the field of Sanitation. The Foodhandlers schools held in Cameron and Rockdale was given considerable extra time during the month of February.

Several schools and school cafeterias were visited and found to be in excellent condition as for as that the Sanitarian will be able to make further study of illamination, seating, lighting etc. in the schools before the term expires.

All nuisance complaints, that have been called to the attention of the office, have been promptly investigated and corrections were obtained in a majority of the cases

The Sanitatian accompanied R F. Holbert of the Food and Drug Division, on an inspection tour of the food establishments in Cameron the later part of March. It was a pleasure to work with Mr. Holbert and they are looking forward to having him return and work in this area.

Visitors for the month:

Fred Miller, V. D. Investigator, Texas State Department of Health, Austin, Texas.

R. F. Holbert, Food and Drug Division, Texas State Department of Health, Austin.

Plans Complete For Jr. High Interscholastics

Plans are just about complete for the Grade School Interscholastic League Meet which will be held in Cameron on April 22, 1955 with 23 schools invited.

The sole reason for this meet, Wiley Loughmiller, principal, stated, is to provide an opportunity for pupils in the elementary school to participate in a League Meet. All events will be conducted according to league rules.

All teachers, coaches, and directors will meet in the library on the first floor of the Ada Henderson Building at 9:00 a. m. for a few brief announcements.

All literary events will be registered and held on the second floor, and all athletic events will be registered on the first floor.

Ribbons will be given individual events and pennants for team events.

Schedule of events for the Junior Meet:

At 9:30 the following events will be held:

Declamation, Mrs. Layfield, Room 204; Story Telling, Mrs. Hanes, Room 213; Number Sense, Mrs. White, Room 207; Ready Writers, Miss Agnes Dusek, Room 206; Spelling (7 & 8), Miss Sproull, Room 209; Spelling (5 & 6), Mrs. Nabours, Room 208; Tennis, Mrs. Adams, Room 106; Baseball (Girls) Mrs. White and Mrs. Smith, Room 107; Baseball (Boys), Mr. Brady, Room 108; Picture Memory, Mrs. Loughmiller, Room 109; Volleyball (Girls), Mrs. Hickman, Room 110, Volleyball (Boys), Miss Jeter, Room 111.

The Track and Field events, under the direction of Leo Jackson, Dick Young and Mr. Sapp will be held on the athletic field at 1:40 p. m.

Miss Anita Dusek will be at the information desk in the hallway.

Mrs. O. N. Smith Funeral Held

Mrs. O. N. Smith, 38, lifetime resident of Rosebud, died in a Marlin hospital at 4 a. m. Sunday.

Funeral services were held at 2 p. m. Monday in the Powers Chapel Church, Rev. Allen officiating, burial in Powers Chapel Cemetery.

Mrs. Smith and her husband operated a cafe in Rosebud.

Survivors include her husband, O. N. Smith of Rosebud; three daughters, Patsy Smith, Peggy Sue Smith and Judy Mae Smith, all of Rosebud; one son, O. N. Smith Jr. of Rosebud; her partnts, Mr. and Mrs. Tom McBride of Marlin; two sisters, Mrs. Ola Mae Baker of Rosebud and Mrs. Joe Steinkirchner of Houston; one brother, Bruce McBride of Lott.

Texas Highways Are Being Re-marked

AUSTIN, April 15— Texas Highways are being remarked to conform to national standards.

An Associated Press report Wednesday described the new markings incorrectly.

The new pattern consists of a broken white reflectorized paint line for center lines of two lane highways, and a solid yellow reflectorized paint line for barrier lines of no-passing zones.

Lanes in multiple lane thoroughfares will also be marked in the white paint.

Several members of the local Disabled American Veterans Organization are slated to attend a regional convention in Palestine on Saturday and Sunday.

Women Bowlers Barbecue – Dance Held Monday Winds Up Winter League

Winners and losers alike were feted with a lavish barbecue-dance at the Women's Bowling League party Monday night at National Hall.

Prior to the barbecue, served buffet style from a linen covered table centered with arrangements of bluebonnets, Dr. Aubrey Boyce gave the invocation.

Following the sumptous meal of barbecued beef and goat with all the trimmings the League president, Mrs. Leo Laake, introduced the sponsors of the various teams, the team captains, and the club officers, Dr. Audrey Boyce, vice-president, Mrs. Ralph Michalka, secretary-treasurer and Mrs. John Florida, reporter.

The head table, at which the club officers and their husbands, and Walter Anderle were seated, was linen covered and centered with arrangements of larkspur.

She then introduced the members of the top two winning teams, who were presented trophies by Walter Anderle, president of the Columbus Club which donated the trophies.

Those presented trophies on the winning team in the top four were Irene Mees, team captain, Ida Michlka, Serena Bridges, Jody Pernice, Lallie McGuire and Norma Mees.

Trophies were then presented to the winners of the bottom four play-offs, the Falstaff team, they are Mable McGoldrick, team captain, Frieda Anderle, Lillie Richter, Della Morrow, Annie Schattle and Dorothy Rutherford.

Team sponsors and captains each gave short talks, thanking the women on their teams for their spirit and participation and each voicing the wish that their team will stay together for the next season.

Jones Prairie

Mrs. S. S. Hickman

Mrs. Curtis Phipps and sons of Austin were week-end visitors of her parents, Mr. and Mrs. Walter Senkel. Mr. Phipps was in Amarillo on business.

Mr. and Mrs. Raby White of Andrews were holiday visitors of his parents, Mr. and Mrs. Buck White.

Mrs. Paul Deville and children, David asd Jan of Dallas were week-end guest of her parents, Mr and Mrs. Jack Pond.

Mr. and Mrs. Robert Glenn and son, Bobby spent the Easter holidays with their daughter and family, Mr. and Mrs. James Harwell in Houston.

Mrs. Ruth Gooch of California, and Mrs. Mable Kent of Waco were visitors at Little River church Sunday. They were the former Misses Ruth and Mable Patzke of Cross Roads Community.

Mrs. Jackie Manus and son Wayne of Houston spent the holidays with their parents, Mr. and Mrs. W. R. B. Hughes. They were visitors at Little River Church Sunday

Mr. and Mrs. Marshall Pond of Kingsville are guests of his brother and wife, Mr. and Mrs. Jack Pond.

Rev. and Mrs. J. M. West were Sunday dinner guests of Mr. and Mrs. J. H. Burnett.

Mrs. S. S. Hickman is spending this week with her daughter, Mrs. Jewel Hughes and Mr. Hughes of Cleburne. They attended the 'Ice Capades in Fort Worth.

Several women of the Little River W. M. S. attended an all day meeting at the South Elm Baptist church Thursday. They were: Mesdames S. M. Harrell, Dick Young, Nora McKinney, Robert Glenn, R. K. Fontaine and Miss Ethel McKinney.

The latest on the news of the newcomers is that seven bouncing babies were delivered at Saint Edward's Hospital since April 4.

For the first time in many months the girls have out numbered the boys born at the hospital, but it's only a minor lead of one.

Mellany Susan is the new seven pound, twelve ounce baby born to Mr. and Mrs. William Lucky of Cameron on April 5. She arrived at 4:03 p. m.

On April 7, it was a boy born to Mr. and Mrs. A. Rivera they named him Thomas R. He weighed ten pounds.

The new son of Rev. and Mrs. Harsh Brown is Stanley Howard, born April 11. He weighed 6 pounds and 10 ounces.

Mr. and Mrs. Arlin Pounders of Rockdale are the parents of a son, Arlin Keith, born April 13. He weighed 6 pounds, 8 ounces. She was born on April 10 and of Mr. and Mrs. R. L. Zawadzke. chosen for the new little daughter

Mary Douglas was the name the parents of a daughter, Donna Beth, born April 14. She weighed six pounds, fifteen ounces. weighed seven pounds, 13 ounces.

On April 13 Pamela Kaye arrived to Mr. and Mrs. E. E. Hobbs. She weighed seven pounds, eight ounces.

Cotton Allotment Improvements To Be Made By Farm Bureau

Recommendations of the Texas Farm Bureau board of directors for improvements in the present cotton allotment program will be presented at a meeting of the American Farm Bureau Federation cotton committee April 22-23 in Washington, D. C.

Texas Farm Bureau President J. Walter Hammond, a member of the committee as well as the board of directors of the AFBF, will recommend corrective changes in producer referendums, distribution of acreage reserves and methods of figuring acreage histories.

Delegations from other cotton-growing states will also be represented on the committee.

The Texas Farm Bureau recommends that the referendum be changed to "more accurately record the wishes of the farmers" and that county, state and national acreage reserves be lowered "to reduce the inequities now occuring' in the distribution of these reserves. Farm Bureau also recommends that a corrective adjustment be made in the planting histories fo farmers who voluntarily reduced acreage in 1953 at the request of the Secretary of Agriculture.

As for the referendum, Farm Bureau wants the producer to have two choices in voting: (1) the support level that will accompany an allotment program, (2) the support level that would be guaranteed by the government with no acreage restrictions.

"This change would not only allow a cotton farmer to determine which system will be most profitable for him, but will also accurately record the wishes of the cotton farmers," Hammond said.

Under the present system of voting, the cotton producer is guaranteed only 50 per cent price supports if quotas and allotments are voted down.

Farm Bureau is recommending that national cotton acreage reserves be reduced from five to one per cent, state reserves from ten to two per cent and county reserves from 15 to four per cent. Acreage reserves are used for trends, unusual planting conditions, small farms and new growers.

The present procedure for alloting reserves has cause wide-spread resentment among farmers in old-growing areas and in diversified farming sections.

In commenting on the present distribution procedures, Hammond said: "Rather than correcting past errors and injustices, the allocation of these reserves has created still further inequities." He added that Farm Bureau's recommendations would result in allocation of a greater per cent of cotton acres on a strict history basis.

As for the method of determining allotments on a "history" basis, the Farm Bureau leader said that credit was not given to producers who reduced acreage voluntarily in 1953 at the Secretary of Agriculture's request.

To remedy the situation, the Farm Bureau recommends that if it is evident a producer voluntarily reduced his acreage in 1953 an adjustment should be made in his planting history. Farm Bureau recommends that this be done by averaging the plantings of the two previous years (1951 and 1952) and adjusting the 1953 acreage according to that average.

Milam Farm Bureau Meeting April 21

Milam County Farm Bureau's regular monthly meeting has been set for 7:30 p. m. Thursday, April 21 in the Yoe High School gym.

This program will be given by two demonstrators from the Texas Power and Light Company and will consist of demonstrations of various types that will be of interest and value to the entire family, members of the Program Committee stated.

Everyone was invited to attend. Refreshments will be served at the conclusion of the meeting.

Mr. and Mrs. Elmo Obermiller conducted Installation services at the Temple Post 37 of Disabled American Veterans Monday evening. She is Regional III Commander and he is past Regional Com-

Mrs. A. C. Senkel and her little daughter have returned to their home in San Antonio after several days visit here with her mother, Mrs. Joe Hibner.

Mr. and Mrs. M. C. Brown of Temple were visitors in Cameron Saturday.

Radio advertising is not allowed on U. S. short wave radio stations

Miss Louise Mareth of Waco visited in Cameron Monday with her two sisters, Mrs. M. Reineke, who is very ill and Mrs. Frances Hertenberger.

Albert Rummel of Burlington, Rt. 1, was a business visitor in Cameron Saturday.

OUTLOOK BRIGHT
for hog men who follow
PURINA'S PROFIT PLAN FOR 1955

Experts expect the hog market to average $20 or better for the year. Peak prices are expected to come in early or mid-summer. That means hog men must start pigs fast and keep crowding 'em to market to get peak prices. It means feeding sows for big litters and saving pigs after they come. That takes a good management, sanitation and feeding program.

We've got it. Our Hog Program is Purina Research Farm proved and has been proved in thousands of feedlots. It's simple and easy to follow, too. *Purina Sow and Pig Chow* helps sows to build and farrow big litters and have milk enough for all of them. Saves grain, too. *Baby Pig Chow and Pig Startena* start 'em gaining early, fast, economically. Helps to wean litters up to *twice* average litter weights at weaning.

Only 322 lbs. of barley or 308 lbs. of milo and 45 lbs. of *Hog Chow* make 100 lbs. of pork. Purina-fed hogs are often ready for market at only 5 months.

Let the Purina Hog Profit Plan help you have another money-making year with hogs.

Come in. We want to tell you more about it!

Dems Honor Sam Rayburn

At the National Guard Armory in Washington on Saturday night, Democrats throughout the nation paid tribute to Speaker Sam Rayburn of Bonham, the Texan in Washington who holds the highest office and the longest term of service. The dinner had been scheduled to be held at one of the Washington hotels, but when the acceptances exceeded the 1,400 campacity of the hotel dining room, it was necessary to use a larger hall. There were about 4,000 people present. Among the many speakers was Senator Lyndon Johnson, who paid tribute to Mr. Rayburn on behalf of the Senate.

Former Vice President John Nance Garner of Uvalde had planned to make this the occasion for his first trip to Washington since his time of service here, but had to change his plans at the last moment on the advice of his physician.

To state the names of all the Texans present would require more space than this column would permit, but the State was well represented.

Prior to the dinner, Mr. and Mrs Burris Jackson of Hillsboro were hosts to the members of the Texas delegation in Congress at a coffee. All in all, it was like Texas Day in the Capital City, although Democrats from every state in the union joined in this high tribute to Speaker Rayburn.

The French Embassy in Austin, Texas, is the only building ever constructed on American soil by a foreign government.

Youngest, Oldest Sheriffs Sought

Who's the youngest sheriff in Texas nowadays?

That question occurred to members of the Madisonville Sidewalk Cattlemen when the boot-wearing gentry were talking about plans for the annual reunion on June 2, and someone recalled that their president, Rodney Chambless, once held that distinction among the lawmen.

Chambless, recently elected president of the Sidewalk Cattlemen, hadn't been long out of Texas A&M College —just long enough to have spent 3 years teaching Vocational Agriculture — when the "politics bug" hit him and he ran for the office of Madision County Sheriff. He won, too, at the age of 26. Youngest sheriff in Texas! He made a lot of news during his gun-totin' days — but that's another story.

"Why not find the youngest sheriff in Texas this year and bring him to Madison ville as our special honor guest for the reunion and barbecue?" was an immediate question.

"Let's honor the oldest sheriff in Texas also," was suggested.

So now the search is on. Who is the oldest, and who is the youngest Texan wearing the badge of sheriff?

Besides the youngest and oldest sheriffs — both of whom will be presented a pair of beautiful handmade cowboy boots, and other wise honored while guests of the Sidewalk Cattlemen — all other Texas sheriffs are invited to come to Madisonville on Thursday, June 2, as guests of the Sidewalk Cattlemen, and take part in the festivities.

Anne Hinyard Is Miss STS Candidate

Anne Hinyard of Cameron is a candidate for Miss Southwest Texas State who will chosen during Frontier Day, April 21, at Southwest Texas State College.

Anne, daughter of Mr. and Mrs. C. W. Hinyard of 506 East 29th, is the nominee of Delta Psi Kappa, women's physical education organization. A freshman at SWTSC, she will be competing with 27 other contestants for the title.

The Bathing Beauty Revue to determine the winner of the "Miss SWT" title will be held Thursday afternoon, April 21. Other activities scheduled for the afternoon include a beard contest, cigarette-rolling contest, tug-of-war, and diving and trampoline exhibitions.

During Frontier Day, sponsored annually by the Student Senate, all activities have a western theme. College students elect a boy and a girl to reign over the day's festivities. As is traditional, high school representatives from the area are invited as guests of the royal court.

Social Security To Benefit All Age Farmers

Some people have misunderstood the provisions of the 1954 Amendments to the Social Security Act, according to James B. Marley, manager of the Austin District Social Security Office.

"We have been asked quite often whether one will be able to qualify for benefits as a farmer if he is already age 65 or over," Mr. Marley said.

"The answer is that the farmer already past his 65th birthday who is continuing to operate a farm, WILL qualify even sooner than the younger farmer. Age does not disqualify an individual from entering into the program. If he is actually operating a farm, he is required to participate by keeping his records in 1955, paying his social security tax on his farm income in 1956, and then doing the same thing for 1956. Ths second payment made in 1957, would qualify him for benefits if he is age 65 or older by that time."

The answers to all questions about social security can be secured by contacting the representative of the Austin office who will be in Cameron on Tuesday, April 26, at the Department of Public Welfare, at 1:00 p. m. o'clock.

Broilers And Fryers Plentiful Again

Rising spring production returns broilers and fryers to the plentiful foods list for the first time this year.

Raisins also are highlighted on the U. S. Department of Agriculture's May list of abundant foods.

After the regular monthly survey of food stocks in this area, the USDA has found that supplies of more than a dozen items are large enough to rate a position on May's list.

They include beef, pork, canned tuna, frozen halibut fillets, and milk and other dairy products, rice, small size prunes and vegetable fats and oils.

Only fresh fruits for May are oranges and grapefruit. Also processed citrus products are in good supply.

Water Situation To Be On Humble TV

Billions of gallons of water are used by Texans every day, one out of every seven gallons used in the nation, according to a recent week, The Humble Company's TV program, Texas in Review, will include interesting films about the water situation in the state.

Other Texas events appearing on the program include a roundup of activities being carried on for the benefit of crippled children; and the Babe Zaharias Golf Tournament at the Beaumont Country Club.

Due to time changes in many parts of the nation, Texas in Review will be seen at new times beginning next week.

Sunday (April 24) Texas in Review can be seen on KPRC-TV, Houston, 10:00 p. m.

Monday (April 25) the program appears on KRLD-TV, Dallas, 6:30 p. m.; WOAI-TV, San Antonio.

On Tuesday (April 26) Texas in Review can be seen on KTBC-TV, Austin, 7:00 p. m. KCEN-TV, Temple, and KANG-TV, Waco, 7:30 p. m.

Pull-ups - C. Swift, J. Smalley and C. Williams.

Strept Throat High Again In County

Strept throat once again reached the top of the disease list in Milam County for the week ending April 16, with 18 cases reported on the weekly report of Dr. John Bryson, County Health Unit doctor.

Next high was chickenpox, with 16 cases reported. Other diseases listed were pneumonia, two cases; vincents mouth, two cases; Mono Infection, 1 case; Measles, one case and gonorrhea, three cases.

Dial System Begins In Thorndale

The Southwestern States Telephone Company is installing the metropolitan dial system on all telephones in the Thorndale area.

Here-to-fore only the numbers system was used but with the letters being added it appears that Thorndale may soon be identified by a name preceding the number.

Lee L. Davis of Bryan is making the change for the telephone company.

Nazarene Revival Is Postponed

Reverend D. A. Lambert, pastor of the local Church of the Nazarene, announced today that due to unavoidable circumstances the Revival which was originally to begin Sunday has been postponed.

The new dates set for the week long Revival are from April 25 through May 1, with meetings each night at 7:30.

Yoe Homemakers Garments Modeled In Annual Easter Style Show

The Yoe High Future Homemakers presented their annual style show to the public recently in the Yoe High Auditorium.

As was predicted the stage had undergone a change. In the center was a golden egg and to the side an egg tree where two "hens" rested while they watched the FHA girls model the garments they had made and those from local merchants. The "hens" were Imelda Hanel and Bobbie Price. The narrators were Nancy Kubish, Rita Reid, Billie Nell Johnson and Hazel Butler. The announcer was

The planning committee was Nita Trdy.
composed of Rita Reid, Jimmye Colburn, Marye Horstmann and Anita Trdy.

They had help from girls on the publications staff (Carol Matula, Rose Matyastik, Annetta Shelander Joyce Wallace, Ann Wimberly, Rita Reid, and Nancy Grabein). Also some of the industrial arts boys (Albert Kelly, Charles Boring, James Angell, Donald Mees, and Willy Schiller) under Mr. Guy Clement's guidence helped with they stage props. The FHA also expresses appreciation to Rube Johnson.

Rita Reid and Anita Trdy along with Mrs. Buddy Wiese arranged and wrote the skit. All the other FHA girls helped where the need arose and this was often.

This style show was not organized and presented by a selective few. Every FHA girl had at least a small part in helping make this "Golden Egg Review" a success. But the girls know that this style show would not have been the success it was without the public's response so the biggest "Thank you" goes to the citizens of Cameron who attended the style show.

-by Annetta Shelander
FHA Reporter.

Total of 13,123 Texans Enter Forces

A total of 13,123 Texans entered the armed forces during the first quarter of 1955, a total of 17,819 getting out during the same period.

Of the 13,123 who got into the entered by enlistment. The remaining 2,462 were drafted through the various uniformed services, 10,661 state's 137 draft boards.

These figures were obtained from reports of Brigadier General Paul L. Wakefield, state director of Selective Service, to national Selective Service headquarters in Washington.

State draft boards sent only 2,733 men for physical - mental examinations during the three-month period. Army examining-induction stations rejected a total of 1,097 of these men, a rejection rate of 40 per cent.

During the first three months of 1955, a total of 31 doctors and dentists registered with draft boards under the doctors' draft law were commissioned for armed forces service. Twelve doctors and dentists were examined for service during this period, seven being accepted and five rejected.

Selective Service records at the end of March indicated about 142,000 Texans in the uniformed services at that time, compared to approximately 152,000 at the same time in 1954.

While 13,123 Texans were entering the armed forces during January, February, and March, a total of 15,643 Texans were registered with Texas draft boards.

Korea Contributions Discussed At Walkers Creek H D

Mrs. Dell Henderson was hostess to the Walkers Creek Home Demonstration Club Wednesday afternoon.

Thirteen members were present with Mrs. Robert Glenn presiding.

"Being A Good Hostess for Young Children" was the program topic by Mrs. J. D. Boedeker.

Mrs. V. L. Angell led the recreation and gave a short report on the County Home Demonstration Council meet which was on "Texas Friendship For Korea". Ten points were brought out to remember about Korea, concerning the needs of the 100,000 orphans and 300,000 fatherless families.

Mrs. Angell reported that anyone wishing to assist in making contributions of livestock, seeds, food or material for clothes should contact their local county agent, pastor, or the State Office - Box 8007, Fort Worth, Texas.

Mrs. Dorothy LaGrone resigned as reporter and the members elected Mrs. Angell to serve in her stead.

Following the business meeting, Mrs. Henderson served chicken salad sandwiches, cookies, potato chips, pickles, coffee and punch.

Their next regular meeting will be held in the home of Mrs. Angell on April 27 when the program will be the procedure for killing dressing and processing poultry.

Rev. Browns' Have New Son

Reverend and Mrs. Harsh Brown are the parents of a new son, Stanley Howard, who weighed six pounds and 10 ounces at birth Monday, April 11, at 2 a. m.

This makes the Brown's fourth the new infant are "Chuck", aged four, Kenneth, aged two and Connie aged 5.

The mother and baby are at home are reported to be "doing fine".

Rev. Brown is the pastor of the local Christian Church.

Maternal grandparents are Reverend and Mrs. D. L. Hackett of Beaverton, Oregon. Rev. Hackett is also a minister in the Christian Church.

Paternal grandmother is Mrs. Greta J. Brown, who is superintendent of the California Christian Home in California.

Brazos Bridge To Be Built West of Hearne

Bids for the construction of a new and modern bridge across the Brazos River five miles west of Hearne on U. S. Highway 79 will be received by the state highway department on April 19, it was announced this week.

Included in the project is the construction of a new road and approaches to the bridge to eliminate two dangerous curves on the busy highway.

The new bridge will be 821½ feet in length and 28 feet in width It will be of plate girder type construction with no superstructure. (Engineers say that the construction will be of a type similar to that of the bridge across the Little Brazos River just west of the Hearne city limits).

Including the approaches, the new crossing of the river will be two miles in length.

The specifications for the new bridge call for completion within 275 working days from the time it is started. It is anticipated that work will be started approximately 30 days after the contract is awarded.

An idea of the size of the undertaking can be gathered from the following quantities of materials that will be used: 1800 cubic yards of concrete, 198,000 pounds of reinforcing steel, 1,150,000 pounds of structural steel, 106,000 cubic yards of dirt and 5,880 lineal feet of steel piling.

The news pan will be fourteen feet above ground level and approximately 60 feet above the water.

The old bridge will be demolisher and sold for scrap when the new one is opened for traffic, highway officials stated.

The construction will be under the direction of Joe G. Hanover, resident engineer for the State Highway Department. John E. Blair of Bryan is the district engineer and C. B. Thames of Hearne is district engineer in charge of new construction. —The Hearne Democrat.

W A C Commission Now Available To College Women

AUSTIN—Direct commissions in the Womens Army Corps are now being offered to qualified young women upon graduation from college according to Lieutenant General I. D. White, Fourth Army commnder.

The Army each year has requirements for a small number of carefully selected young women to receive direct commissions as Second Lieutenants in the United States Army. To qualify, applicants must be 21-27 years of age and must possess above average mental, physical and character, 28-33 who have the same qualifications plus career experience in a civilian field may receive direct commissions as First Lt.

Opportunities for direct commissions will be explained by two WAC officers from Texas who are currently visiting college campuses throughout Texas. They are Major Mary G. McDonald of Tyler, Texas and 1st Lieutenant Shirely R. Heinz of Houston, Texas. Both are graduates of Rice Institute and Heinz of Houston, Texas. Both are graduates of Rice Institute and Major McDonald also holds a law degree from the University of Texas.

Further information for applicants can be gained by writing direct to the WAC Staff Advisor Headquarters Fourth Army, Fort Sam Houston, Texas.

FACTS PROVE IT!

GET THE FACTS ON "ALL 3" LOW-PRICE CARS AND YOU'LL HAVE PROOF PLYMOUTH IS FIRST:

FIRST IN SIZE—By actual measurement, the 1955 Plymouth is the longest car of the low-price 3. (It's even bigger than some medium-price cars.) Plymouth is truly a big car ... 17 feet long!

FIRST IN ROOMINESS—Plymouth is also the biggest car inside, with the greatest hip room and leg room. More comfort for you! And Plymouth's trunk, by far the largest in its field, lets you pack practically everything.

FIRST IN VISIBILITY—Comparison proves that Plymouth's glamorous new Full-View windshield—with cornerposts swept back both top and bottom—gives you the greatest visibility of "all 3."

FIRST IN BEAUTY—Compare styling and see why *Charm*, a leading fashion magazine, chose Plymouth "Beauty Buy of the Year." Plymouth's long, sleek Forward Look wins over the hand-me-down styling of the "other 2."

FIRST IN ECONOMY—Smoothest and thriftiest engine of all! That's Plymouth's fast-stepping new 6-cylinder PowerFlow 117. Its Chrome-Sealed Action gives you extra thousands of trouble-free miles.

FIRST IN COMFORT—Plymouth offers you the most comfortable ride you ever experienced in a low-price car. Only the biggest car in the lowest-price field can give you true big-car riding comfort.

FIRST IN EXTRA VALUE—Plymouth gives you many extra-value features that the "other 2" low-price cars don't have. Come in today and let us show you why Plymouth is first for value!

Why pay up to $500 more for a car smaller than Plymouth?

Don't be fooled by the claims of so-called medium-price cars that they cost practically the same as Plymouth. When you compare price tags you'll find that, *model for model*, Plymouth sells for much, much less than medium-price cars, and gives you more car for your money!

BEST BUY NEW; BETTER TRADE-IN, TOO!

"Cities Are What Men Are"

EDITORS NOTE: The following article is being published in connection with the City-Wide Clean Up campaign to be held April 25-29. This is an editorial by Thomas Dreier, St. Petersburg Times, May 23, 1954.)

All communities are advertisements of the quality of the personalities and characters of the people who live in them. The first impression on a traveler or visitor by any city is made by its appearance. If its approaches are beautiful, if the streets are smooth, if the houses are well-designed and painted, if the yards are well-kept if there is little evidence of the presence of litterbugs who strew waste paper and other debris about the visitor is almost certain to say, "This city is loved by its people and they are people of high quality who demand what is finest and best for themselves and their children".

In such a city the tourist wishes to tarry. The beauty and cleanliness and order are like magnets that hold him. If he is a home-seeker he will say, "Here is where I want to live."

The city whose appearance is depressing, whose lack of beauty and cleanliness advertises the presence of citizens with slum-minds, causes the visitor to hurry away.

Miles L. Colean, in "Renewing Our Cities", writes: "Cities have no existence apart from the people who live and work in them. They have no dynamism apart from that given them by their populations. Like all creators, man creates in his own image, and, if he does not like the reflection he finds in his city, he has his own place of interest, competence or foresight to blame. If his city is confused and disorderly, that is because he himself is confused or unmindful of disorder, or lacking in the means to achieve order. If the city is ugly, that is because he either does not care about beauty or is not able to produce it. If the mindful of disorder, or lacking in the means to achieve order. If the city is ugly, that is because he either does not care about beauty or is not able to produce it. If the city sinks into decay, it is because he has lost the wish or the vigor to maintain it."

All cities have the same general groups, — those who do wrong and make police and courts and other expensive departments necessary: those who attend to their own private affairs; and those who attend to their own affairs with efficiency and ALSO give time and energy to public betterment.

Yoemen Stung By Belton 11-4

BELTON, April 19—Belton's Tigers used Patches Northam's five-hit pitching and a 10-hit attack on Cameron's Joseph Michalka to win an 11-4 District 18-A opener from the Yoemen here this afternoon.

In the first frame Belton scored one run as Fred Tulloch singled, went to second on a fielder's choice took third on a passed ball and scored on Rondal Boren's single.

Two more runs came in in the fourth as Bucky Wilson singled, stole second base and scored on Buddy Cooper's double. Cooper scored on an error to make it 3-0 Belton.

Boren singled in the fifth, and went to second base on Northam's sacrifice. He stole third and Bill Smith walked and stole seocnd. Boren scored on a fielder's choice and Smith came in on a wild throw Wilson walked, Jimmy Mecom homered and Cooper homered to bring in the sixth run of the inning.

Two walks and a three-base error produced two more Tiger runs in the sixth.

Cameron scored three runs in the fifth inning. Bob William's singled and two walks loaded the bases. Butch Polzer walked to bring in one run and Michalka singled to score the other two base runners.

The Yoemen made their final run in the seventh as Polzer walked, took second on Michalka's single and third on an error. Monroe Bayer's single scored Polzer.

Buddy Cooper's homer and double gave him two hits in four times at bat for Belton while Boren had two for three and Wilson one for one. Michalka had two for four to lead the Cameron hitting.

Score by innings:

Cameron	...	000	030	1—	4	5	3
Belton	....	100	262	x—11	10	1

MILANO NEWS

Mrs. Dan Robinson

Dr. Swain, District Superintendent of the Bryan district, preached at Milano Methodist church Sunday morning.

Mrs. Lila Smith spent the weekend in Somerville with her daughter and family Mr. and Mrs. Fred Blackmon.

Mrs. Pearl Williams guest for the weekend was a sister from Houston.

Sunday guest in the home of Mrs. Dan Robinson were her children from Temple, Mr. and Mrs. Arthur Moore and son Howell, Mr. and Mrs. Howard Manley and daughter Shirely, and two grandchildren and Mr. and Mrs. Wayne Honneycut and son Rickey.

Mr. and Mrs. Claude McBride of Austin were here Sunday visiting their grandmother Mrs. Allie Blackmon and Ruby.

Mrs. Lucile Kerns of Hearne was here Thursday visiting relatives.

Mrs. R. E. Ledbetter was a passing visitor in Milano Friday. She was enroute to Naches to visit her daughter Mr. and Mrs. Crenshaw and family.

Mr. and Mrs. Jess Hood were visiting at Hoskin recently.

Freddie Garcia, who is attending school at Nacadoches, spent the weekend here in the home of a relative Mr. and Mrs. Maggie Hernandez. Freddie will finish college in August.

Mrs. Marvin Brannon and children spent Easter holidays in Houston with her husband who is working there.

M. J. Pierce and daughter Marylene left Friday for a visit with their daughter and sister Mrs. Otho Warren and family at Heampstead.

Mrs. Lewis Haddox and Mrs. Irene Hill and son, Butch left Friday for a weekend visit at Fort Smith, Arkansas. Mrs. Haddox will visit her daughter and family and Mrs. Hill will visit with her husband who was hurt in a wreck there several weeks ago.

Mr. and Mrs. McCollough and chilren of Houston were visiting in the home of Mr. and Mrs. Tom Hutto last week, Mrs. Hutto has returned home from the hospital and is improving nicely.

Mr. and Mrs. Asa McGregor were guest in the home of Mr. and Mrs. Carl McKnight at Caldwell last week.

To most of us our memory is the thing we forget with.

Silence isn't always golden; sometimes it's just plain yellow.

Most Destructive Pests In Texas

Cotton bollworms, grasshoppers and boll weevils were the three most damaging insects to Texas crops last year.

Aphids, rice weevils, cutworms, spider mites, thrips, armyworms and plant bugs complete the list of the state's 10 most destructive insect pests in their order of "economical importance", according to a report by Dr. J. C. Gaines of the department of entomology of the Texas A. and M. College System.

Pink bollworms should be added to this list, Gaines says, not because of its present economic damage, but for its potential damage to Texas cotton.

The cotton bollworm also is known as the corn earworm or tomato fruitworm.

Nationwide, the corn earworm, grasshoppers, aphids and mites were listed among the more important insects of 1954 by entomologists.

Corn earworms, aphids and mites also dominated the 1953 listings

In The House of Representatives

April 11-15. The State Affairs committee of the House conducted a public hearing on the Unfair Sales Act bill on Tuesday morning. The small grocers were lined up for the bill while the big independents registered opposition. The bill was sent to a sub-committee for further study.

Legislators listened to two visitors on Tuesday morning. Actess, Greer Garson, was introduced in the House and spoke briefly. Mrs. Leona Browne of Houston, who has been afflicted with multiple sclerosis for eighteen years, addressed the House and Senate in joint - session. Her talk was on the need of more centers to diagnose and treat the ailment. She was accompanied by her husband and their four children.

After a debate on the omnibus tax bill Monday until midnight, the House killed the tax plan by a vote of 78 to 68. The tax proposal that was defeated proposed to increase taxes on cigarettes, beer and wine dealers, gasoline and liquified gases. The failure to pass the tax plan was attributed to hast action by its sponsors and to the one-cent gasoline tax provision in the bill.

The length of motor trucks was extended from 45 to 60 feet when the House passed a Senate bill on Thursday.

The House passed a Senate bill providing for a new teacher certification law. The bill was amended in the House before it was passed.

The committee on Constitutional amendments in the House approved a Senate amendment to the Consitution providing for a new teacher retirement system and program in Texas.

The House gave final approval of a House bill creating the Trinity River Authority Act. The House deleted the navigation provisions in the bill and the measure now goes to the Senate for further action.

The Senate extended the life of the special investigating committee of the Senate that is investigating irregularities in the Veterans land program unitl May 10 by a vote 19 to 12.

Passed in the House was a Senate bill raising the speed limit of highway post office vehicles from 45 to 60 miles an hour.

The penitentiaries committee of the House filed a report on the recent inspection trip of the penitentiary system. The report praised the conditions existing throughout the system.

Twenty - three bills were favorably reported by House committees. Eleven bills were passed by the House during this week.

A bill was introduced to raise the Confederate pension for Colonel Walter Williams of Franklin, the only surviving Confederate Veteran. He is 112 years old.

Two planes loaded with Texas legislators flew to Washington over the weekend to honor Speaker Sam Rayburn

Luther League Youth Enjoy Monthly Social

Members of the Luther League Youth group of Buckholts Hope Luthern church met with their pastor, Rev. John A. Pietsch and Mrs Pietsch for its monthly social held Sunday night on the church lawn.

Marion Fuchs directed music for the devotional hour led by, Lawrence Fox. An out of town visitor was Miss Nellie Jo McNeil of Rogers.

After games played on the lighted lawn, the group were invited into the Educational building for refreshments.

Life is full of ups and downs. But the most difficult of all is keeping appearances up and expenses down.

For quality foods at the lowest shelf prices in town, Smart Shoppers Shop Safeway!

We reserve the right to limit quantities and to refuse sales to dealers and their representatives.

Society In The News

Miss Mary Jane Ravenis And Thomas Harrison Wed April 6

In a double-ring ceremony Miss Mary Jane Ravenis became the bride of Thomas G. Harrison in the Shrine of the Little Flower in Baltimore, Maryland on April 6 with Father Fredrick Dugan officiating.

The bride is the daughter of Mr. and Mrs. Joseph Ravenis of Baltimore, Maryland and the groom is the son of Mrs. Alma Houston of Cameron.

Processional and recessional were played on the organ, with soloist Tony Donardio singing, the "Ava Maria".

The bride, who was given in marriage by her father, was gowned in a lace and net bridal gown with fitted bodice and flowing skirt over satin. The fitted sleeves tapered to points at the wrist and the low cut neckline was enhanced with a finger-tip veil of illusion depending from a bonnet-effect crown.

She carried a colonial bouquet of white roses graced with delicate sprays of stephonitis and satin streamers.

Her attendant, Miss Audrey Mantler, wore an ice blue gown and carried a pink arrangement similiar to the brides.

Joseph Ravenis, Jr., brother of the bride, served as best man.

Following the wedding ceremony a reception with over 200 guests attending was held in the Maple Room of Lithuanian Hall.

The traditional five-tigred wedding cake topped with a miniature bride and groom centered the refreshment table.

Mother of the bride presided at the guest register, with friends and relatives pouring and assisting the guests.

As a going away suit the bride chose a navy suit with pink accessories.

The couple came to Cameron on their wedding trip and plan to make their home in Corpus Christi Texas.

Mr. Harrison, recently released from the Navy after four years service, plans to attend Del Mar College in Corpus Christi.

Leon Lacy Talks To K of P's

Knights of Pythias held their regular meeting Monday night, with Grand Chancellor of Knights of Pythias of Texas Leon G. Lacey, present to give the principle address.

Past Grand Chancellor James Palasota, of Temple, also present. He gave a short talk on the Pythian Home.

Rank of Esquire will be conferred at the next regular meeting, with all members urged to attend.

Lacey spoke at length on fraternalism, dealing principally with the people in need of it in the every-day hustle and bustle of everyday living.

Miss Mary Sproull Wedded To Charles Whitaker, Jr. Recently

In a simple candle-light ceremony in College Station, at the home of Dr. and Mrs. T. O. Walton, Jr., on the March 17, 1955, Miss Mary Sproull was married to Mr. Charles C. Whitaker, Jr. of Chilton, Texas. Miss Sproull came down the curved stairway on the arm of Mr. W. I. Truettner, who gave her in marriage, and was met at the altar formed in front of the fireplace by the groom. Dr. Thomas W. Swygert, Jr. performed the double ring ceremony.

The bride wore a white lace, waltz length gown with tiered and ruffled skirt and a spencer jacket of the same material with long pointed sleeves. Her only jewelry was a four strand pearl necklace and pearl earrings. Her veil was a pearl tiara with finger tip veil and she carried an orchid surrounded with white carnations and net and with carnations at the tips of white satin streamers.

Mrs. Ann Wright, roommate of the bride served as matron of honor. She was gowned in an aqua, waltz length net dress fashioned similar to that of the bride, and carried a yellow rose and jonquil bouquet with yellow satin streamers.

Stuart B. Whitaker, brother of the groom, was best man.

Following the ceremony the guests were invited into the dining room where the two tiered wedding cake was served from a white linen draped table with yellow spring flowers and yellow candles as decorations. After the bridecut the cake the guests were served by Mrs. Harvey Cakes, as Mrs. George Clark served the punch.

When the couple left for a short wedding trip to San Antonio, the bride wore an aqua linen sheath dress with matching duster. Her accessories were black patent leather. She wore the orchid from her bridal bouquet.

The bride is a graduate of Yoe High School in Cameron and is now a senior student at Scott & White Hospital School of Nursing in Temple.

The groom graduated from Chilton High School and has served for the past four years in the US Air Force.

The immediate families attending the ceremony were Mr. and Mrs. C. C. Whitaker, Sr. of Chilton, Mr. and Mrs. George Clark of Rosenthal, Mrs. Robert A. Warren and Miss Frankie Brown of Waco. Dr. and Mrs. T. O. Walton, Sr., Mr. and Mrs. W. I. Truettner, Dr. and Mrs. T. O. Walton, Jr. and Tommy and Mr. and Mrs. Harvey Cakes and Lynn and Carter of College Station.

Milano 4-H Club Discusses Colors

The 4-H Club of Milano met in the 7th grade room of Milano School. The meeting was supposed to be about cooking, but Mrs. Hughes was sick and her secretary Mrs. McDaniel held the meeting.

The meeting was opened at 9:00 and ended at 10:00.

Francis Hoffman, the president called meeting to order. Diana McNiel, the Recreation Leader had the pledge, prayer, and motto.

Grace Pairett, the Secretary called the roll and only a few were absent.

The president turned the meeting over to Mrs. McDaniel, who brought about forty different collars for color demonstration. She needed a red head, blond or brunett. The red head, Edna Bullard, couldn't wear as many different colors as the brunett, Alice Silva. The blond, Frankie Coldiron could wear all but a few of the colors.

Logans Have New Daughter

Mr. and Mrs. Alton Logan became the parents of a six pound fifteen ounce baby girl Thursday morning, April 14, at 12:55 a. m.

The baby, their first child, has been named Donna Beth.

Mrs. Logan is the former Betsy Caperton, daughter of Mr. and Mrs. Narvie Caperton of Cameron. She is living with her parents at the present while her husband is serving with the Armed Forces in Germany. It was reported that he is in the process of moving to another base now.

Paternal grandparents are Mr. and Mrs. Jack Logan of Cameron.

Mrs. B. Howell Honored By Baptist TEL Class

Mrs. Roxy Williams was hostess to the TEL Class of the First Baptist Church Tuesday afternoon.

President, Mrs. I. N. West, was in charge of the meeting with the opening prayer by Mrs. W. M. Fanning, teacher of the class.

The Devotional was given by Mrs Brooksie Howell on, "The Three Mary's of the Bible".

After the business meeting a social hour was held with the class giving Mrs. Howell a going-away gift, since this was her last meeting with the class before leaving Cameron. Class members stated that she will be greatly missed.

The hostess, assited by Mrs. C. B. Ford, served angel food cake, miniature sandwiches and tea to 12 members and one visitor, Mrs. John A. Smith, Sr. and were then dismissed by prayer by the guest.

Park Equipment Discussed By JC's

Main discussion at the regular Junior Chamber of Commerce meeting was the coming Jaycee convention in San Antonio, with Milton Brown, State Director, and Jack Slaughter, local president, and possibly some other members, planning to attend.

The meeting and barbecue were held at the N. L. Caperton lake.

During the business session Brown gave a report on the playground equipment at the city park which is being added to, with some items being rebuilt as a project of the Jaycees. He stated that the Merry-go-round has been re-built and work is almost completed on a new slide which will be installed in the near future.

Prospective new members were then discussed and all non-members were invited to attend the next Jaycee meeting, April 25, at the Caperton Lake.

Yoe High Boys Entertain Kiwanis

Kiwanis had a record attendance at their regular meeting Thursday noon in the Milam Coffee Shop.

Dr. John Boyce, program chairman at the meeting, introduced Joe Lee Heitman, Dwayne and Kenneth Bowley to the group. They entertained the club members by playing several numbers with Joe Lee at the piano, Dwayne on the Bass Fiddle and Kenneth on the electric guitar.

Visitor at the meeting was Arthur Prokish.

Former Cameronite Now In Hawaii

Sargeant and Mrs. Thomas Murray, former Cameron residents, and their children arrived in Pearl Harbor, Oahu, Hawaii on March 9.

Prior to entering the service Sgt. Murray and his family lived in Temple, where his parents, Mr. and Mrs. Tula Treadaway live now

He is a member of the Medical Co., 14th Infantry Regiment of the 25th Division Station at Schofield Barracks.

Methodist Laymen To Attend Retreat Soon

Between 800 and 1,000 laymen of the Methodist Church of the Texas Conference are expected to attend the annual Texas Conference spring Layman's Retreat at Lakeview Methodist Assembly, Palestine, Texas April 23-24, according to Oscar Lyles of Houston, Registrar. The event registered 756 laymen last spring.

Dr. Harry Denman, executive secretary of the general board of education of the Methodist Church is to be a speaker and resource person.

Pat Thompson of Bay City, Texas Conference Lay Leader, announces that a discussion group on "Lay Speaking in The Church" will be added to the list offered. Other topics to be considered are local church finance, Methodist men Organization, temperance, lay leadership and stewardship.

Frank Robinson of Cleveland heads the committee on recreation.

Mr. and Mrs. Jeff Foshea, Jr and family of Houston spent last weekend here with relatives. They, and Mr. and Mrs. Jeff Foshea Sr Mr. and Mrs. Terrel Prescott and family of Burlington, Mr. and Mrs Robt. McCollumof Rosebud had dinner Sunday with Mr. and Mrs. Gerald Foshe and family.

County Auditors Now Independent Of Commissioners

AUSTIN, April 15—A bill which would make county auditors completely independent of commissioners courts in Bell, Falls, Milam and Williamson counties, was half way through the legislature Friday.

It was passed by the senate Thursday in a big bunch of bills on an uncontested and local calendar.

Written by Sen. William Shireman of Corpus Christi, the bill changes the present county auditor set-up to provide that in counties having populations of 35,000 or more or having tax valuations of $15,000,000 or more the auditors are to be appointed every two years by the district judge or judges. His salary is to be set by the judges and to be paid from the county's generalf fund.

Abond of $5,000 filed by the auditor would be payable to the district judge or judge.

"The bill is designed to take the auditor completely out from under the commissioners court," Senator Shireman said.

Mrs. Alma Houston and her son and daughter-in-law, Mr. and Mrs. Thomas Harrison, visited her son Joe Bill and his wife in Corpus Christi for several days recently. While there they also visited with Mr. and Mrs. G. F. Wilson, Mrs. Houston's sister.

Mr. and Mr. H. H. Pruett and his sister Mrs. I. N. West spent the Easter holidays in Houston visiting the Pruett's children and Mr. Pruett's aunt Mrs. Sally Simmons, who is 99 years old and will be 100 on the first day of July.

Mr. and Mrs. Irvin Fuessel are the parents of a baby boy born Friday April 1.

Accompanying the Yoe High school band to Belton recently for their concert were Mrs. Francis Cox, Mrs. Alena Tiller, Mrs. A. E. Jones and Mrs. S. J. Dusek.

MAGGIE McKENZIE, popular radio star of KGNC says, "Every woman knows light Karo is best for cooking ... and on the table ...

it's Karo for me, the best-tasting waffle syrup of 'em all"

Yes, indeed... biscuits go like hot cakes when you pour on plenty of delicious Karo waffle syrup. There's nothing like it for good eating. Satisfyin' flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night... it tops anything!

Ask your grocer for Karo waffle syrup, in pints and quarts

Cotton pest time!

Start your control program NOW!

MAKE SURE thrips, cutworms and flea hoppers don't feast on *your* cotton . . . treat with dieldrin in early season.

Dieldrin gets these pests three ways—by touch, taste or inhaling. Dieldrin gives long-lasting control; days after application it goes on killing cotton pests.

And dieldrin also controls weevils, grasshoppers, lygus bugs and others. For bollworm simply add DDT.

Get dieldrin (say "deel-drin") from your insecticide dealer.

Minneapolis Moline Modern Machinery

RC Rotary Hoe does double duty

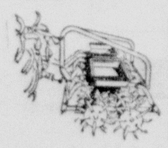
SPEEDS UP EARLY CULTIVATION

You can cultivate crops at your *fastest field speed* with the RC rotary hoe or go at slower speeds *when required*. Eighteen-inch steel digger wheels get out just-starting weeds, break up soil crust formed after rains. Your crops get a good growing start. Digger wheels rotate independently on the gang axle.

PACKS THE SOIL WHEN REVERSED

With the V-type hitch hooked at the rear, the RC rotary hoe becomes a packer. Used in this way, it gets down through trash and *packs around the seed*. Surface soil is not finely pulverized; small lumps thrown up on the surface help to prevent soil loss from drifting and blowing.

Features: All-steel construction. Each 42-inch section has two gangs of seven digger wheels with 10-inch replaceable steel fingers . . . Whether one, two, three, four, or five sections are used each section follows ground contours . . . Oil-impregnated wood bearings never need oiling . . . Deep pan weight boxes are regular equipment.



FOR 3-POINT HITCHES

Two-section RC rotary hoe is available for 3-point hitches. Lifts off ground for easy transport and turning. Fits the Minneapolis-Moline QO Hitchor and other 3-point hitches.

Stop in and see the Minneapolis-Moline RC Rotary Hoe.

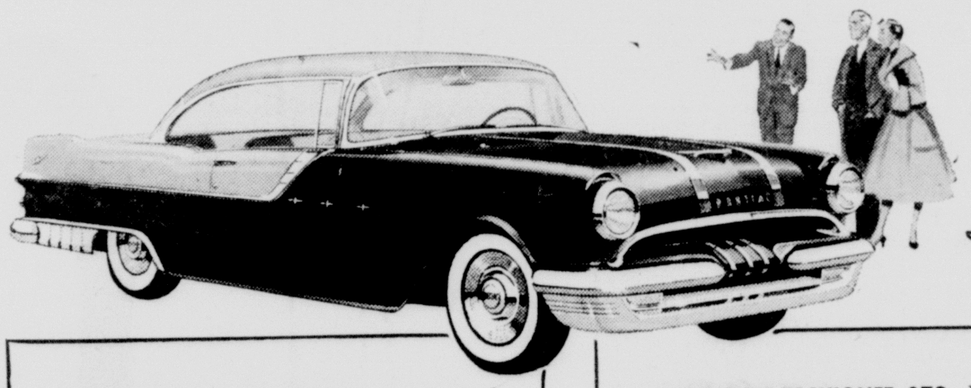
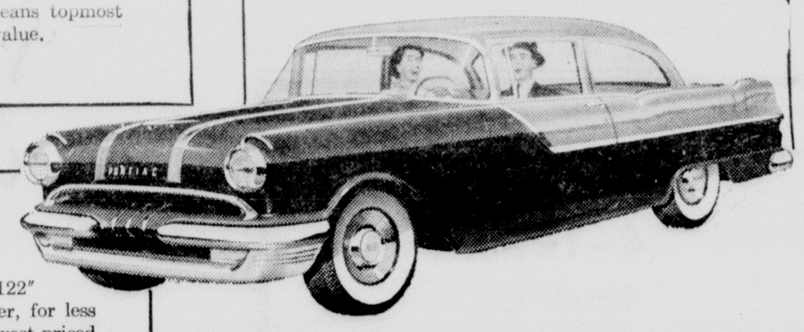
Here are the Three Greatest New-Car Values in America!

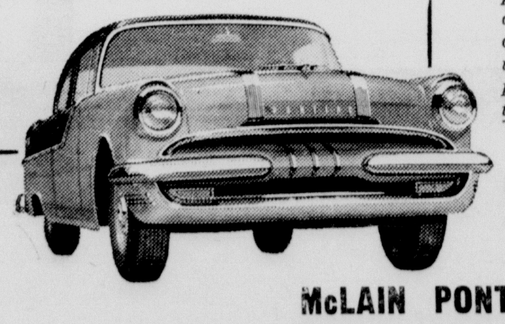


THE FABULOUS STAR CHIEF—*It's luxury-sized.* The roomy body is mounted on a 124" wheelbase. *It's luxury-powered.* The Strato-Streak V-8 puts 200 horsepower up front. *It's luxury-styled.* Fabrics and interior appointments match those of the highest-priced cars. *It's beautifully distinctive*—way out front for future-fashioned smartness. *And it's a Pontiac*—which means topmost reliability, thrift and resale value.

THE FUTURE-FASHIONED 870—Here's a car outstanding in every way. Outstanding in performance with exclusive Strato-Streak power. Outstanding riding ease with a long wheelbase unmatched at the price. Especially outstanding in the wonderful way it handles and responds with passing power. For luxurious driving at modest cost you simply can't do better.



THE SPECTACULAR 860
Here's a king-sized car with a 122" wheelbase, and 200 horsepower, for less than many models of the lowest-priced lines and much less than stripped economy models of higher-priced makes. Beauty? Just look! And remember—you can choose from 4 luxurious interiors and some 36 modern color combinations.



All with the history-making 200-H.P. Strato-Streak V-8 Engine!

Every Pontiac has the Strato-Streak V-8, one of the most efficient power plants ever developed. Here's more take-off punch, more passing drive and more years of smooth performance than you have ever enjoyed in any car within hundreds of dollars of Pontiac's low price range. And that applies whether you decide on 180 horsepower or specify the optional power-package for 200 horsepower. Either way you get topmost power per dollar.

Mr. and Mrs. Billy Steusell of Temple and Miss Josephine Doskocil of Ft. Worth spent the Easter holidays with their parents Mr. and Mrs. Amos Doskocil and family.

Miss Jewell Wimberly of Austin was a guest of relatives here last weekend.

Miss Maxine Kohring of Austin spent the holidays with her parents Mr. and Mrs. Walter Kohring.

Guests of Mr. and Mrs. L. R. Davidson and family Easter Sunday were Mr. and Mrs. George Paulas, and Mrs. John T. Phillips of Galveston.

Sunday visitors in the R. M. Jones home were Mr. and Mrs. George Jones and children of Rockdale and Mrs. Wade Parker of Milano.

Jimmy Hauk of Bryan spent the holidays with his parents Mr. and Mrs. Joe Hauk.

The parents of Mrs. George Dodd Mr. and Mrs. M. H. Behne of Waco were involved in an automobile accident in Waco Sat. April 9. Mrs Behne who was the most seriously injuried is recuperating in the Dodd home.

Mr. and Mrs. Charlie Skupin and children Mike, and Janie, and his father Henry Skupin of Burlington, and Mrs. Billy Surovik and sons Bruce and Howard of Dallas were guests in the Emil Skupin home Thursday.

Mr. and Mrs. D. D. Harrison and children Linda Dorothy, and Jerry of Dallas spent the weekend with Mrs. Harrisons parents Mr. and Mrs. J. A. Blasienz.

Mr. and Mrs. Frank Malone and little daughter Sherry Lynn of Cameron visited Mr. and Mrs. Hubert Skala on Sunday.

Miss Lena Yoe of Cameron visited in the J. A. Blasienz and C. S. Robbins home Sunday afternoon. Mrs. Robbins is at home from the Rosebud hospital and is reported much improved.

SHARP NEWS

Mrs. Florence Spiegel

Mr. and Mrs. John Sipple, Sr., have just returned from Elgin where they attended funeral services for their son, John Sipple, Jr., 46, who died with a heart attack April 7 at Elgin.

Seamon Jack Daniel, Jr., of Corpus Christi spent several days last week with his parents, Mr. and Mrs. Jack Daniel, Sr.

Allen Linhorst was here from Fort Worth to spend the weekend with his cousin, John Robert Caffey. He also visited with his grandparents, Mr. and Mrs. R. F. Linhorst.

The Ladies Auxiliary of the Sharp Presbyterian church asks the people of the congregation and the community to bring used clothes to the church before May 4. This clothing will be sent to the church World Service for overseas use.

Mrs. L. A. Petty and daughter, Sue, Mrs. Margaret Moyer, and J. P. Petty shopped in Temple Saturday.

Mr. and Mrs. Leslie Laffere and children of Uvalde were here over the weekend visiting Mr. Lafferes parents, Mr. and Mrs. C. F. Laffere, and his brothers, Leon and Leroy Laffere and their familyies. The Lafferes had a family dinner and get-together at the Leon Laffere home.

The first and second grades of the Sharp school will get Salk shots Thursday.

Mr. and Mrs. Arthur Inge and children of Buckholts visited with Mrs. Inge's parents, Mr. and Mrs. George L. Schroeder.

Mrs. A. D. Voyles left Monday for Houston where she will enter a hospital for treatment. Her sisters, Mrs. Ray Young and Mrs. Gertrude Holtzclaw, both of Temple visited with her Sunday afternoon.

Mrs. J. K. Dunham, who underwent surgery in the Scott and White Memorial hospitals Saturday morning, returned home Monday.

Rev. and Mrs. F. M. Towers, Mrs. Ed Fowler, Mrs. Max Rinn, and Mrs. J. K. Dunham made a business trip to Temple Thursday.

Mr. and Mrs. W. E. Brown visited friends over the weekend in Houston.

How About That!

In days of yore spring cleaning was a chore!
Today Mrs Housewife has no such problem. Modern automatic servants...like the Maytag Supermatic washer and dryer... help take the toil out of spring cleaning. Woolen blankets or sheer rayon blouses ...all can be machine washed.
Nylon: to get rid of perspiration odors, scrub with a soft sudsy brush before washing. Don't mix colors.
Rayon: Set your washing time at 1½ to 3 minutes and water temperature control at "warm." Never use a chlorine bleach.
Drying Synthetics: requires "low" temperature control...short drying time...remove when slightly damp.

YARRELLTON NEWS

Mrs. Lena Russell

Mr. and Mrs. Paul Hitchcock of Killeen were Sunday visitors with Mr. and Mrs. Joe Kubica recently.

Mrs. Smith Barrett and sons of Cameron were visiting relatives in Yarrellton Monday.

BURKES - HOWARD CO.

Cameron, Texas

To Start On April 25 City Clean-Up

Spring Clean-up in Cameron, sponsored by the local Chamber of Commerce Health and Sanitation Committee, is right around the corner.

The pest and debris elimination program will begin on April 25 and continue through April 29, with city trucks making regular scheduled pick-ups daily. Every resident has been asked to have any trash to be carried off collected in a place accessible to the trucks.

The five point campaign is designed to eliminate flies, rats, mosquitos and fire hazards on the premises of residents.

Tenants of every residence in the city have been asked to cooperate in the program which is:

1. Removing all old containers, tin cans, bottles, tires and all other trash from your premises. Remove all decayed vegetable matter and trees.

2. Depositing all garbage and cans in a regulation covered galvanized garbage container and keep it covered. Use 5 per cent to 10 per cent DDT spray to spray garbage cans and immediate area. Place trash so that it can be picked up by city trucks.

3. Keep all chicken and rabbit pens thoroughly cleaned daily. Use DDT spray for insect control around pens.

4. Keeping all outside toilets clean and make them fly tight. Cover all waste with dirt after each use of the toilet. Get sewer connection if sewer line is available as soon as possible.

5. Clean up all vacant lots. Cut weeds and brush if possible. If burning constitutes a fire hazard call Fire Department for supervision.

Tenants as well as property owners shall be responsible for their premises.

KILL RED ANTS!
Rid your premises of Red Ant Beds with **DURHAM'S ANT BALLS** for less than 5¢ per den. Just dissolve balls in water, pour in beds. Goodbye Ants! Handy 35¢ and 60¢ jars at your druggist or
New Cameron Drug

885 Farmers Helped In 1954 By ASC Program

The 1954 Agricultural Conservation Program assisted 885 Milam County farmers during the year to carry out one or more soil and water conservation practices.

Even though Milam County was plagued by drouth most of the year many farmers carried out a constructive conservation program on their farms.

During 1954, the following was accomplished with ACP assistance:

55 farmers established or improved 635 acres of pasture land.

193 farmers constructed 207 Livestock Water Ponds.

25 farmers established 57 acres of permanent waterways for disposal of water from terrace systems.

68 farmers constructed 356,536 feet of field terraces or 1,188 acres of land.

33 farmers constructed 43,902 feet of diversion terraces to divert excess water to protected outlets.

682 farmers planted Legume Seed and applied fertilizer to 18,038 acres for winter cover crops and to enrich the soil.

The primary objective of the Agricultural Conservation Program is and has been since 1936, to protect the public's interest in the nation's soil and water resources.

The government cost-share assistance to Milam County farmers in 1954, amounted to $127,121.66, which is approximately half of the cost of carrying out the practices listed above, with the farmer paying the balance of the cost.

Polish Author To Be At M H B

Tadeusz A. Wittlin, Polish author of the best seller, "A Reluctant Traveler in Russia," will be presented by Mary Hardin-Baylor in its lyceum series at 8 p. m. Friday, April 22, in Alma Reeves Chapel.

Mr. Wittlin, also a lawyer, novelist and editor, will tell about his experiences in Soviet prisons and a Siberian labor camp. The program is open to the public without charge.

Scout Camporee Planned Here April 29, 30

Most of the local Scouting units plan to attend the Tejas District Camp-O-Ree Friday and Saturday, April 29 and 30 at Wilson-Ledbetter Park in Cameron.

All troops in the District have been invited to attend this meet.

Lester Hay, Camping and Activities Chairman of the Heart O' Texas Council, stated that the purpose of the Scout Camporee is to provide Scoutmasters with a tool which will encourage Patrol and Troop Camping and a high degree of skill in Scoutcraft. The Camporee he reminded, is a public demonstration of the values of scouting to be scout as a member of his patrol and troop. Parents and friends have been invited to witness the Council File Program and the Scoutdraft Projects.

Awards will be made to troops and patrols in relationship to the degree of camping and scouting skill they have achieved as measured by a standard. Troops and patrols are not competing against other troops and patrols but against the standards as stated in his manual.

Campcraft awards will be made to the troop as a whole. The outstanding troop award will go to the group earning at least 160 points; the approved troop award will be awarded to the team earning at least 120 points and the Participating troop award will be given to the troop earning at least 75 points.

Each troop must have an adult leader at all times.

Information Wanted On J. Shackleford

Anyone knowing the whereabouts of Julia Shackleford is requested to report this information to the Draft Board office in Cameron.

The Draft Board has some very important information for Julia Shackleford and is most anxious to contact him.

Announcing — America's newest, lowest, smartest 4-door Sedan

Newest model in Mercury's Montclair Series lets you enjoy "hardtop" beauty with 4-door convenience

It's the newest Mercury of them all—the Montclair *4-door* Sedan, and the photograph shows you that not one bit of the original Montclair hardtop beauty has been lost. It has the same dramatic lowness—only 58¾ inches from road to roof.

And see how convenient it is to get in and out. Everyone who admires hardtop styling, but wants the roominess and convenience of a 4-door model, can now eat his cake, and have it too!

198-hp Super-Torque V-8 with dual exhausts

Seldom has an engine caused as much enthusiastic comment from auto editors. And once you drive a Montclair, you'll see why. It gives you instant, on-the-spot pickup at every speed—from zero to super-highway limits. A four-barrel carburetor, unique new high-compression spark plugs, and dual exhausts are yours at no extra cost. Features like these are usually extra on medium-priced cars.

Exclusive new power lubrication gives Mercury widest choice of power features

The Mercury Montclair offers a new optional power feature—power lubrication. And it's exclusive with Mercury in the medium-price field. You push a button on the dashboard and vital parts of your car are automatically lubricated. You can also choose optional power steering, power windows, power brakes, 4-way power seat and Merc-O-Matic Drive.

Why not come in and see this newest Mercury? It costs a lot less than you think. And right now your present car is worth a lot more than you might think on a trade-in at your Mercury dealer's.

IT PAYS TO OWN A **MERCURY** — FOR FUTURE STYLING, SUPER POWER

Marie Hooper Married To Hilry Wilson In Lexington

In a ceremony in the First Baptist Church in Lexington Sunday afternoon at four o'clock, Miss Marie Hooper, daughter of Mr. and Mrs. L. M. Hooper, and Hilry Wilson, the son of Mr. and Mrs. F. R. Wilson of Taylor, were married. The Rev. Horace Whitesides, pastor of the church officiated at the double ring rites.

The church was banked in white gladioli against a back-ground of palms and fern, and the family pews were marked with white ribbons.

Mrs. Conrad Brown of Lexington played the organ music, using "Wonderful One," "Always," "O Promise Me" and "Ashes of Love" for the prelude. She accompanied Miss Shirley Horstman of Cameron as she sang "At Dawning", and used the traditional "Lohengrin" and "Mendelssohn" for the processional and recessional.

The bride entered with her brother, Lawrence Gay Hooper, who gave her in marriage. She wore an imported French lace gown over taffeta in all white. Her skirt, very full, was ankle length, and the fitted bodice of lace was fashioned with a yoke of illusion with a standing collar of lace, and scallops of the lace outlined the yoke. Her long sleeves formed petal points at the hands. She wore a veil of imported bridal illusion caught to a coronet of pearls and rhinestones, and carried a white Bible, topped with a white orchid.

Miss Anna Lee Kirk of Cameron attended the bride as maid of honor. Her gown of blue imported French taffeta was made with full skirt, waltz length, and fitted bodice. Her headdress was in matching blue in rhinestone trim, and she carried a colonial bouquet of red sweetheart roses.

Honor attendant to the groom was his brother, Alvin Wilson of Taylor. Ushers were Jack Harrison of Lexington and Bill Walsh of Angleton.

Gregory Jensen, small son of Mr. and Mrs. Oman Jensen of Lexington, carried the wedding bands.

For her daughter's wedding, Mrs Hooper wore a navy lace afternoon dress with matching and white accessories. Mrs. Wilson, mother of the bridegroom, wore navy linen with matching and white accessories, and each wore a corsage of white carnations.

The wedding reception was held in the home of Mr. and Mrs. Oman Jensen, close friends of the bridal couple. Receiving with the bridal couple were their mothers and the bride's maid of honor.

Decorations were in white gladioli and greenery, and the white laid dining table was centered with an arrangement of white carnation flanked by white lighted tapers in crystal holders.

The three tiered wedding cake held a bride and groom in miniature and was embossed in pink and white rosebuds. Mrs. J. A. Steadman of Taylor served the wedding cake; Mrs. C. Nolan Dodson of Cameron presided at the crystal punch service, and Miss Elder Bess Peebles of Giddings registered the guests. Mrs. Jack Harrision was also a member of the house party.

Mr. and Mrs. Wilson left later in the evening on a wedding trip to New Orleans, the bride wearing a mauve suit with navy and white accessories, her corsage an orchid.

Mrs. Wilson is a graduate of the Lexington High School, and has been employed by International Harvester Company for a number of years, she has been bookkeeper for the company in Taylor, the Williamson County Equipment Company.

The bridegroom is an Air Force veteran of World War II, and formerly attended Southwestern University in Georgetown. He is in business in Angleton, where he and his bride will make their home.

Among the out-of-town guests were: Alvin Zidell, Mr. and Mrs. Jerry Galnor, Mrs. J. A. Steadman Mrs. D. M. Sloan, Mr. and Mrs. Frankie Lefler, and Mr. and Mrs. E. R. Butler of Taylor; Dr. and Mrs. J. S. Hubert and Mrs. A. J. Lewis of Cameron; Mr. and Mrs. Harry Freytag and M. L. Robinson of Dallas and Mr. and Mrs. Bill Walsh of Angleton.

Mr. and Mrs. Oman Jensen were hosts for the rehearsal supper Saturday evening. Decorations were in white carnations with lighted tapers, and members of the wedding party were included in the guest list.

At the rehearsal, gifts to the attendants were made by the bridal couple, the birde presenting pearls to her attendants, and the bridegroom presenting watch fobs to his.

Imagination was give to man to compensate him for what he is not, and a sense of humor was provided to console him for what he is.

Southern Farm Insurance Sets High Dividend

Announcement of a 50 per cent dividend by the Southern Farm Bureau Casualty Insurance Company means a savings of $25,508.45 to farmers of Milam County, according to President John A. Smith of the local County Farm Bureau.

The farm leader said that Milam County Farm Bureau members in the county would receive dividend payments. The amount each receives will be half of the amount of his premiums paid during the one-year period ending March 31, 1955. Dividends will be Farm Bureau members in Texas have received 50 per cent dividends on their auto insurance premiums. Wm. F. Arthur, service agent for the County Farm Bureau said that the dividends were made possible because farmers and ranchers were found to be preferred risks.

Since the Southern Farm Bureau Casualty Company began providing low-cost insurance for Farm Bureau members in Texas, the premium rates for auto insurance for all farmers have decreased 20 per cent, he said. The company was able to declare a dividend again this year in spite of the fact that the premium rate to farmers living on the farm was lowered by 15 per cent a year ago, he added.

The 50 per cent dividend totals $1,600,00 for the entire state. Some 57,000 policyholders in Texas will reap this avings. The dividend became effective April 1.

Mr. and Mrs. Frank Hanel and daughters, Anna Marie and Imelda visited in Liberty with their son and brother, George Hanel and family. They also visited other relatives.
